

Where you go, we go.

FirstNet®, the only wireless network built with and for first responders, is committed to keeping you connected. Whatever the situation. With FirstNet, first responders have access to unique benefits, including:

- 2.81 million* square miles of coverage – 50,000 square miles more than any other network
- More than 400 FirstNet Ready® devices
- Over 195 apps in the FirstNet App Catalog
- Always-on priority and preemption across voice and data
